PROFESSIONAL LIABILITY INSURANCE
All students who intend to participate in any student teaching programs or field experiences of any sort are required to procure and maintain liability insurance for the duration of all such programs. You must provide proof of such coverage to the PMTE Coordinator. The policy purchased must be applicable to teaching situations, and must cover the specific situations which will be present during your field exercise. Such coverage may or may not be termed “professional liability” insurance, depending upon the carrier or organization which issues the policy. It is your responsibility to choose an appropriate policy and to make a determination as to the amount of coverage. In this regard, we recommend that you contact the institution which coordinates your program in order to determine specific requirements.

The College of Education or School of Music does not specifically endorse nor recommend any particular insurance carrier or insurance policy. However, the following are provided for your convenience as options for you to consider.

Liability insurance may be available as an endorsement, for an additional fee, to a renter’s or homeowner’s insurance policy. You may also procure a separate liability insurance policy from a private insurance policy. If you choose to pursue such options, you should carefully investigate the terms of the policy and speak with your insurance agent in order to ensure that the policy is applicable to your field activities.

Professional Liability Insurance Options:
- Available through private insurance carrier
- Evidence consists of letter or policy statement
- Must include reference to “professional” liability coverage
- Available through professional organizations, such as PSEA
- Application available online at http://www.psea.org/topic.cfm?sid=14 with use of credit card.

******* THIS IS THE RECOMMENDED PROCEDURE FOR APPLYING!
- $30 yearly membership, concurrent with school year (Sept. 1-Aug 30); Check expiration date!

This benefit is also available through membership in one of sixty sponsoring educational associations, and is offered by the Trust for Insuring Educators, administered by Forrest T. Jones & Co. A list of sponsoring associations and applications are available on-line at www.ftj.com

*****PLEASE NOTE: A COPY OF ALL CLEARANCES, TB TESTS AND PROOF OF INSURANCE MUST BE GIVEN TO THE PMTE COORDINATOR BEFORE STUDENT TEACHING!!!!!
